# Your Plan and Rate

## 1 Review plans

You'll find all of the AARP Medicare Supplement Insurance Plans listed on the page titled "Overview of Available Plans" in this section. Please see the Plan Benefit Tables, also in this section, for the coverage details for each plan. Eligibility for certain plans depends on your age and/or your Medicare Part A effective date.

## 2 Discover your rate with applicable discounts

Your rate for the plan you select will be based on several factors, including your age on the plan effective date, gender, tobacco usage, Medicare Part B effective date, and eligibility for certain discounts.

### Enrollment Discount

#### For Applicants Age 65 and Older:

- Determine your age as of the date you expect your coverage to begin.
- Use the chart below to determine which rate Group applies to you.
- Go to the rate pages (in this section) to locate your rate, based on your gender, non-tobacco or tobacco usage,\* and the rate Group that applies to you.

If the time period between your plan effective date and your 65th birthday (or your Medicare Part B effective date – whichever is later) is:	
Number of years:	You are in:
Less than 10	Group 1
10 or more	Group 2

If you are in Group 1 and under age 81, you may be eligible for the current Standard Rate with the Enrollment Discount. You can find information about the Enrollment Discount and the eligibility requirements on the back of this page. Your answers to the medical questions on the application will also affect your monthly premium as the rate page indicates.

### Multi-Insured Discount

You may also take **7%** off the Standard Rate if two or more members are enrolled under the same AARP membership number and each is insured under an eligible AARP-branded supplemental insurance policy insured by UnitedHealthcare Insurance Company.

## 3 Enroll

After you choose a plan and find your specific rate, simply fill out the application and any additional required forms in this booklet and send them in using the enclosed postage-paid reply envelope. Or, you can conveniently enroll online with the guidance of your licensed insurance agent. See the *Enrollment Checklist* enclosed in the "Forms" section of this booklet for the list of items to complete and submit with your application.

\*You are eligible for a non-tobacco rate if you have not smoked tobacco cigarettes or used other tobacco products within the past 12 months.

# Understanding the Discounts

## Eligibility

You may be eligible for the Enrollment Discount if your age on your plan effective date is:

- 65 to 74 and you do not have any of the medical conditions listed on the application.
- 75 to 80 and your plan effective date is within 10 years of your Medicare Part B effective date and you do not have any of the medical conditions listed on the application.

Note: Medical questions do not apply to you if your plan effective date is within 6 months of your Medicare Part B effective date or you meet a guaranteed issue situation.

You may be eligible for the Multi-Insured Discount if two or more members are enrolled under the same AARP membership number and each is insured under an eligible AARP-branded supplemental insurance policy insured by UnitedHealthcare Insurance Company.

## How it works

The Enrollment Discount is applied to the current Standard Rate, which usually changes each year. The discount you receive in your first year of coverage depends on your age on your coverage effective date and decreases 3% each year, after age 68, on the anniversary date of your coverage. Please note that as the discount decreases on your plan's anniversary date, your monthly premium will increase; this may happen at a time other than the Plan's annual rate change. Please keep this in mind when budgeting for your health insurance expenses.

The Multi-Insured Discount is taken off of the Standard Rate.

### Example 1: Meet Jill\*

- Plan Effective Date: January 1st
- Jill's age on her Plan Effective Date: 66
- Time since her Medicare Part B enrollment: 1 year
- No medical conditions listed on the application
- Enrolled with another member under the same AARP Membership number and each member is insured under an eligible plan.

### Jill is eligible for the Enrollment Discount and Multi-Insured Discount

- Age discount will begin: 66
- Starting Enrollment Discount: 39%
- Enrollment Discount will change to 36% on her plan anniversary date of January 1 of the year Jill is age 69
- Multi-Insured Discount off the Standard Rate: 7%

### Example 2: Meet Harry\*

- Plan Effective Date: June 1st
- Harry's age on his Plan Effective Date: 79
- Time since his Medicare Part B enrollment: 11 years
- No medical conditions listed on the application
- Enrolled under own AARP Membership Number

### Harry is not eligible for the Enrollment Discount or Multi-Insured Discount

Although Harry does not have a medical condition listed on the application, it has been more than 10 years since he enrolled in Medicare Part B so he is not eligible for the Enrollment Discount. Harry is not eligible for the Multi-Insured Discount since he is not enrolled with another member under the same AARP Membership Number.

	Age on Plan Effective Date	Enrollment Discount	Multi-Insured Discount
	65	39%	7%
<b>Jill</b>	<b>66</b>	<b>39%</b>	<b>7%</b>

	75	18%	7%
	76	15%	7%

- 1 Your age as of your plan effective date.
  - 2 The **Enrollment Discount** is available to applicants age 65 to 80. You may qualify for an Enrollment Discount based on your age and your Medicare Part B effective date. If you are eligible, the discounted rates will be shown.
- Who is eligible**  
You are eligible for the enrollment discount if you are between the ages of 65 and 80 and your plan effective date is within ten years following your 65th birthday or Medicare Part B effective date, if later, and you do not have any medical conditions on the application that would qualify you for the Level 2 rate. - How it works**  
The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. After age 68, the discount percentage reduces 3% each year on the anniversary date of your plan until the discount runs out.
- 3 Refer to the application.
  - 4 **IMPORTANT:** Plans C and F are only available to eligible Applicants (a) with a 65th birthday prior to 1/1/2020 or (b) with a Medicare Part A effective date prior to 1/1/2020.
  - 5 You must use a network hospital with Select Plans G and N.

# Your Guide To AARP Medicare Supplement and Medicare Select Insurance Plans

To help you choose the AARP Medicare Supplement or Medicare Select Plan, insured by UnitedHealthcare Insurance Company (UnitedHealthcare), to best meet your needs and budget, be sure to look at the information shown in this Guide and the other documents that show the expenses that Medicare pays, the benefits each Plan pays and the costs you will have to pay yourself. Also, be sure to review the Monthly Premium information. **Benefits and cost vary depending upon the Plan selected.**

## Eligibility to Apply

To be eligible to apply, you must be an AARP member or spouse of a member, age 50 or older, enrolled in both Part A and Part B of Medicare, and not duplicating any Medicare supplement coverage. (If you are age 50-64 and eligible for Medicare by reason of disability and do not have End-Stage Renal Disease (ESRD), you are eligible only if you enrolled in Medicare Part B within the last 6 months, unless you are entitled to guaranteed issue of a Medicare supplement plan as shown under the following “Guaranteed Acceptance” section.) You may only enroll in Plan A.

## Guaranteed Acceptance

- Your acceptance in any plan for which you’re eligible to enroll is guaranteed during your **Medicare Supplement Open Enrollment Period** which lasts for 6 months beginning with the first day of the month in which you are both age 65 or older and enrolled in Medicare Part B.
- Also, you may have a guaranteed issue right to enroll in a Medicare supplement plan in certain situations. Some examples:
  - you have a specific type of health insurance coverage that changes in some way, such as a loss of the coverage, or
  - you enrolled with a “trial right” to try a Medicare Advantage Plan but change your mind and want to switch back to a Medicare supplement plan during the trial period.

If you received a notice from your employer or prior insurer saying you are eligible for guaranteed issue of a Medicare supplement plan, you may be guaranteed acceptance into one or more AARP Medicare Supplement Plans. **If you have a guaranteed issue right, you must provide a copy of the notice, disenrollment letter or other documentation you received AND your Application Form must be received no more than 63 days (6 months for eligible age 50-64 individuals) after the termination date of your prior coverage. The documentation should include the type of coverage being lost, the termination reason, the termination date and the name of the person(s) who lost or is losing coverage.**

If you have questions about guaranteed issue rights, please see *The Guide to Health Insurance for People with Medicare*, which can be found at [www.Medicare.gov/publications](http://www.Medicare.gov/publications). You may also want to contact the administrator of your prior health insurance plan or your local state department on aging.

## Rules and Disclosures about this Insurance

This page explains important rules governing your Medicare Select coverage. These rules affect you. Please read them carefully and make sure you understand them before you buy or change any Medicare supplement or Medicare Select insurance.

---

### Premium information

You may keep your plan in force by paying the required monthly premium when due. Monthly rates shown reflect current premium levels and all rates are subject to change. Any change will apply to all members of the same class insured under your plan who reside in your state.

---

### Disclosures

Use the *Overview of Available Plans*, the *Plan Benefit Tables* and *Cover Page - Rates* to compare benefits and premiums among plans.

---

### Read your certificate very carefully

This is only an outline describing your certificate's most important features. The certificate is your insurance contract. You must read the certificate itself to understand all of the rights and duties of both you and your insurance company.

---

### Your right to return the certificate

If you find that you are not satisfied with your coverage, you may return the certificate to:

UnitedHealthcare  
PO BOX 30607  
Salt Lake City, UT 84130-0607

If you send the certificate back to us within 30 days after you receive it, we will treat the certificate as if it had never been issued and return all of your premium payments. However, UnitedHealthcare has the right to recover any claims paid during that period. Any premium refund otherwise due to you will be reduced by the amount of any claims paid during this period. If you have received claims payment in excess of the amount of your premium, no refund of premium will be made.

---

### Policy replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new certificate and are sure you want to keep it.

---

### Notice

The certificate may not fully cover all of your medical costs. Neither UnitedHealthcare Insurance Company nor its agents are connected with Medicare. This outline of

coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult the Centers for Medicare & Medicaid Services (CMS) publication *Medicare & You* for more details.

---

### Complete answers are very important

When you fill out the enrollment application for the new certificate, be sure to answer all questions about your medical and health history truthfully and completely. The company may cancel your certificate and refuse to pay any claims if you leave out or falsify important medical information. Review the enrollment application carefully before you sign it. Be certain that all information has been properly recorded.

## AUTOMATIC PAYMENT AUTHORIZATION FORM

I allow UnitedHealthcare Insurance Company (UnitedHealthcare Insurance Company of New York for New York residents), hereafter named UnitedHealthcare, to take monthly withdrawals for the then-current monthly rate from the account named on this form. I also allow the named banking facility (BANK) to charge such withdrawals to this account.

Monthly withdrawal amounts will be for the total household payment due each month. This will include premiums for a spouse or other member(s) of the household on the same membership account. This authority is active until UnitedHealthcare and the BANK receive notice from me to end withdrawals in enough time to give UnitedHealthcare and the BANK a reasonable opportunity to act on it. I have the right to stop payment of a withdrawal by giving notice to the BANK in such time as to give the BANK a reasonable opportunity to act upon it. I understand such action may make the health care insurance coverage past due and subject to cancellation.

## AUTOMATIC PAYMENT AUTHORIZATION FORM

I allow UnitedHealthcare Insurance Company (UnitedHealthcare Insurance Company of New York for New York residents), hereafter named UnitedHealthcare, to take monthly withdrawals for the then-current monthly rate from the account named on this form. I also allow the named banking facility (BANK) to charge such withdrawals to this account.

Monthly withdrawal amounts will be for the total household payment due each month. This will include premiums for a spouse or other member(s) of the household on the same membership account. This authority is active until UnitedHealthcare and the BANK receive notice from me to end withdrawals in enough time to give UnitedHealthcare and the BANK a reasonable opportunity to act on it. I have the right to stop payment of a withdrawal by giving notice to the BANK in such time as to give the BANK a reasonable opportunity to act upon it. I understand such action may make the health care insurance coverage past due and subject to cancellation.

**NOTICE TO APPLICANT REGARDING REPLACEMENT OF  
MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE  
UNITEDHEALTHCARE INSURANCE COMPANY**

Horsham, Pennsylvania

**Save this notice! It may be important to you in the future**

According to the information you furnished, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by UnitedHealthcare Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

**Statement To Applicant By Issuer, Agent, Broker Or Other Representative:**

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement policy or leave your Medicare Advantage plan. The replacement policy is being purchased for one of the following reasons (check one):

- |  |   |
|--|---|
| <input type="checkbox"/> Additional benefits.  | <input type="checkbox"/> Disenrollment from a Medicare Advantage plan. Please explain reason for Disenrollment. |
| <input type="checkbox"/> No change in benefits, but lower premiums.                                      | <input type="checkbox"/> Other (Please Specify) _____   |
| <input type="checkbox"/> Fewer benefits and lower premiums   | _____   |
| <input type="checkbox"/> My plan has outpatient prescription drug coverage and I am enrolling in Part D. | _____   |

1. State law provides that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods, or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.

history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

2. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.
